

## A Letter of Thanks to our Staff, Volunteers and Participants

Dear Friends;

We would like to first offer our heartfelt gratitude for your dedication over the past many months planning and executing all that is necessary to put on this airshow. We truly appreciate the sacrifices of your time away from family and friends to accommodate this event and are fully aware that without all of you the airshow would not occur.

Both Fran and I consider ourselves very fortunate to have such a group of enthusiastic individuals who share our zeal for World War II aviation and history. It is clear to us that you too have an intense desire to ensure that the remembrance of our veteran's sacrifices for our freedoms not be forgotten.

Special thanks to the few key individuals who were exceptional in their dedication and commitment, excelling well above expectations to guarantee that the aircraft, grounds, marketing and coordination of this event was assured.

There are never enough words to accurately articulate our expression of gratitude to each of you who have given so unselfishly and charitably of yourselves.

Sincerely,

**Ed & Fran**
